## WHO WE ARE

Jam 4 Cans is a unique non-profit ski and snowboard Rail Jam series that brings together local riders to provide food donations for their community.

Our goal is to inspire skiers and boarders of all ages and abilities to make a positive change in their community and facilitate events that give them opportunities to do so.

## DONATIONS

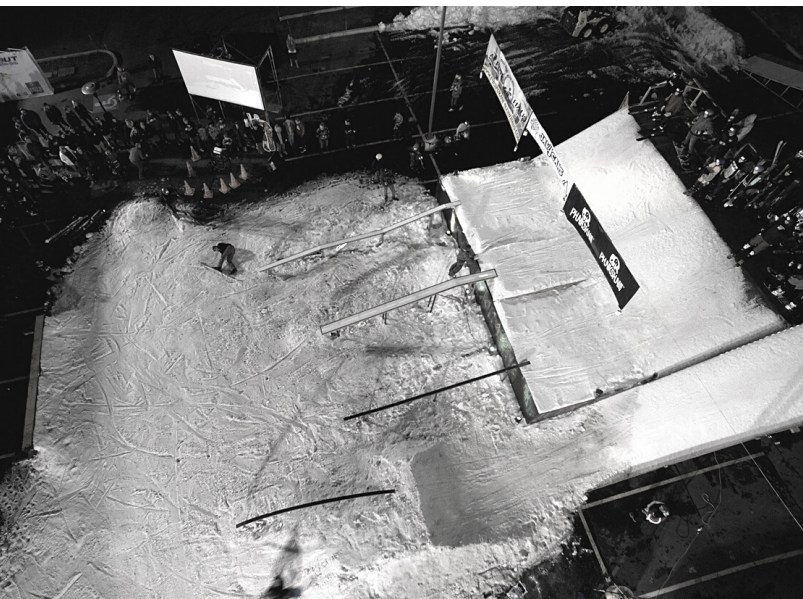

**15**  
YEARS

**15,000+**  
LBS OF FOOD

**\$12,000**  
TO FOOD BANKS  
& LOCAL CHARITIES

## SPONSORS

Since our first small event in 2009, we've been excited to see our cause grow to multiple events each year across the Inland Northwest and watch these riders progress as athletes and as amazing people. We're incredibly grateful for all of the local businesses, volunteers and competitors who continue to make Jam 4 Cans possible.

## HOW YOU CAN HELP

### Prize/Cash donations

Help us put together prize packages for competition winners. Our ability to draw in riding talent across the Inland Northwest depends on our ability to provide desirable prizes. We continue to be dependent on donors and sponsors for these needs. Anything from stickers to skis and snowboards is always appreciated! Cash donations help us build features and offer cash prizes to our top competitors. All proceeds will be donated to food banks.

### Volunteer

Anything helps! Event prep and tear down, event judging, snow transport, photo and video coverage, food drive booth attendants, etc.

### Advertising

Help us spread the word! Providing features in audio/video spots, signs, articles, event calendars, flyers and social media shoutouts are all valuable for raising public awareness of our upcoming events.

**Contribute donations for our Urban Jam event raffle.**

**Every sponsor is recognized in our media, website and at events.  
All donations are tax deductible. Your help is greatly appreciated!**
